VALLEY PRIMARY SCHOOL

Wiki Toru,

Term Wha, Week Iwa 2017

Tumuaki Spot

We have made it to the end of 2017. Tonight we are ready for a great night of awards and carols in a fantastic location. It has been an amazing year and we want to thank you all for your support. I want to thank the Home and School committee for the amazing job they do for our children and the Board of Trustees who have spent many hours making sure that we are on the right track and that things are getting done. We have an amazing group of children who we are extremely proud of. We have seen so many fantastic achievements over the year and they should be extremely proud of themselves.

Carols in the Cave - This is going to be awesome. It may be chilly up there so please make sure that the children have warm clothes under their uniform. There may also be rain so please bring an umbrella. Not everyone will get a seat in the cave but there will be seating outside the cave as well. We will try and get lots of photos during the performance as it may be difficult for parents to get good shots. At the end we will leave the candles going so that photos can be taken etc. The children need to be at the bottom of the hill (Helicopter pad) at 6.15pm. The teachers will start walking up the hill at 6.30 and will be drummed in by the Erskine boys. At the end supper is being held at the school and we ask that families bring a plate. Please drive safely to and from the event. Please park down on the field by the tennis court if the front is packed and please don't park on the roadside (Clifden Highway).

Thursday - Thursday is our last official day. If your children are not coming to school then please ring the bus company and let them know. This is very important. School finishes at 3pm.

2018 Start Date - School starts on the 31st January 2018 at normal time. The buses will be running from this day on. The children will need to bring a pencil case with pens, pencils etc but all other stationery will be supplied and charged to your accounts. Sunhats are also required and please make sure that they are only school sunhats.

Classes for 2018 - All children will be staying in their current class groups and with their current teacher but will be changing classrooms.

Mrs Erskine and Mrs Harris - Room 2

Miss Ross - Room 3

Mrs Waikato - Room 1

AgriKids Teams - All the Year 7 children are in 2 teams. Plus the Kenzie's and Rosie and possibly one more. Entered today. Permission slips and information out early next year. Names had to be entered to confirm a spot.

Teacher Aide Positions 2018 - Hauroko Valley has 2 teacher aide positions for Term 1 2018. Please supply your name and recent experience in writing and send via email to principal@haurokovalley.school.nz

Have a great Xmas whanau and a safe and happy New Year
