

Welcome

Week of : 7th - 10th February

WEEKLY UPDATES

Nau mai hoki mai e te whaanau, kamusta, no hao. 你好。

How wonderful it was to welcome our tamariki back at school on Wednesday 1st February. Hopefully everyone has had a relaxing break and is now ready for a busy term of learning. I know the teachers have spent much of their holidays preparing for the term and they are excited about the Term ahead.

Please keep an eye on our school newsletter which will inform you of up-and-coming school events. Download the Skool Loop App for newsletters, interviews, notices etc.. and keep an eye on Facebook.

As Term 1 gets underway, please do not hesitate to ask questions to make sure you know how things work. I look forward to getting to know your child/ren and meeting you all as the term progresses. In the meantime, you will have received a class welcome back letter.

Communication is an important part of our partnership with you and our newsletters are a key part of this. A link to our newsletter is sent home every Friday. It will have a mixture of housekeeping information, student learning celebrations, and information about what is happening in and around the school. If you do not receive the newsletter link via email please send a message with "Email Newsletter" in the subject line to office@haurokovalley.school.nz

Next week is our first full week of learning and we have Massey University visiting to continue our support of their investigating into Healthy Active Learning. There is Rippa Rugby training with Rugby Southland for Year 5&6 students keen on being part of the team.

Please remember to complete All About Me forms for classroom teachers as we get to know learners better. Also return those Massey University permissions for your chil/ren to participate in their programme.

Nga mihi,
Julia on behalf of HVP Staff

- our school day is 9.00am-3.00pm, 10.10am-10.30am for morning tea, 11.30am-11.40am fruit/vege break, 12.40pm-1.30pm lunch
- lunches from Tui Base Camp resume on Friday 10th February, please pay cash so we can forward this to Tui Base.
- stationery is being processed by Karen for our students, let Karen know if you have specific requests other than the generic class list. All stationery distributed by HVP is charged to school accounts

Mrs Erskine

Haere mai

Kowhai class starts with 10 Year 0-2 students with kaiako/teacher Kirsty Erskine.

Our New Entrants start on/just after their 5th birthdays. There are six students coming in over Terms 1-4 throughout 2023. Their integration into Kowhai class is seamless thanks to pre-arranged pre-school visits and time spent at Discovery Time afternoons.

If your child is starting this year please join Thursday Discovery 1.30pm-3.00pm to engage with students and staff. We look forward to welcoming you and your child to Hauroko Valley.

welcome!

TOTARA

Rata

Haere mai/Welcome back

2023

Mrs Harris

Alice Harris will be teaching 3 days or 0.6 in Rata each week on Monday, Tuesday and Friday.

The 0.4 or 2 days will be covered by Sally Dobson who is teaching Wednesday and Thursday. This weekly combination is a slight change from 2022, as we aim for continuity of teaching for students.

Rata class has 20 Year 7 and 8 students to start. At this level we feature specialist learning of – a language French, thanks to Nicole. Our akonga also attend Technology at Waiau Area School where they further develop a range of knowledge and skills.

Mrs Dobson

We welcome Sally Dobson to Rata and officially to Hauroko Valley Primary School as our newest Staff Member.

Last year we were fortunate to gain the Dobson family as members of our School Community. Sally spent time in each of our classrooms as our main reliever over 2022.

She is excited to teach in our Year 7&8 class and brings a wealth of experience to our teaching team.

TUATAPERE COMMUNITY POOL

We Need

YOU PLEASE

The Tuatapere Community Pool is a very well utilised asset in our community. Run by a very limited number of volunteers who also have jobs, families and other commitments. Over the last few years we have been incredibly lucky to have Trevor & Sally looking after the daily maintenance requirements of our pool and we would like to take this opportunity to thank them very much for everything that they have done.. Trevor & Sally are stepping back and we need some help with the day to day running of the pool. The pool is monitored 3x a day for chemical levels, any cleaning required and maintenance.

If you are happy to join our roster please let Ian 0226084764 or Kaylene 0274327156 know. We will have a training session on Sunday 12th February 2023 at 11am. Please help us to keep the pool open and running.
