ALWAYS OUR BEST

### **Term 3, Week 3, 2020**

#### **Kia orana, Bula, Namaskaram, Aynubowan, Habari**

It has been a wonderful week with Oral Language presentations from our Year 4-8 students presenting their Speeches. What a feast of originality, humour and selection of language for speech topics. There were also impressive standards of pace, clarity, volume, expression and eye contact. Well done to each of our speech writers and presenters for the preparation shown. We are proud of each of you!

Thanks to our parent volunteers coming in today for a working bee. We had a long list of possible tasks to complete including firewood, loose parts shed, garden shed, weeding etc... Thanks for giving your time and expertise to support our school!

#### **Reminders**

Please text, phone or email to indicate students that are not travelling on the bus particularly in the afternoon. This includes students that attend hockey, rugby, swimming, netball or any other practices after school. We appreciate your help in ensuring everyone is where they need to be.

Thanks for continuing to return **permission forms** for opportunities that are available for our children. Most of these have time frames for returns. Often this is to ensure we meet deadlines that have been provided for entries into tournaments or competitions which are often external to school. It is a requirement that we have permission for your child or children to attend cultural, sporting and trips further than local. To enable us to efficiently organise numerous requirements (including Coaches, Managers, Referees or Umpires and of course transport), we do ask for forms to be returned promptly and by the due date.

#### **School Documents**

Each term our board reviews our School Documents - Policies and Procedures. Throughout the course of a year we have reviews to complete across each NAG (National Administration Guidelines). This includes Curriculum, Documentation and Self-Review, Employer Responsibility, Finance and Property Management, Health, Safety and Welfare and Legislation and Administration. At any time, you can send general feedback on a topic to the principal by clicking the green feedback button at the top right of the School Docs page - <https://www.schooldocs.co.nz/>

As a board we are looking to provide opportunities for consultation via School Docs reviews of Policies and Procedures. We invite you to review our current Learning Support Policy as part of the Term 3, 2020 current review. You are more than welcome to review each of those that are relevant to your group - P for parent B for board members S for staff at the time indicated e.g: Term 3, 2020.

Two ways to access either via our [www.haurokovalley.school.nz](http://www.haurokovalley.school.nz) website and go to:

- Information Centre
- School Documents
- School Policies and Procedures
- Policy Review - Learning Support

#### **Instructions for reviewers**
