Mrs Waikato's **WEEKLY UPDATES**

Week of : 20th June - 23rd

Happy School Days to our new 5-year-olds - Maddie, George and Frank. Kowhai is excited to welcome you to their classroom! We look forward to sharing in your learning journey.

I hope you managed to catch our Year 7&8 students from Rata on The Hui, NZ. The footage of our tamariki gathering their kai moana under the guidance of Terressa and her whanau was kei te pai!! This opportunity was a taste of manaakitanga and whanaungatanga through shared collaboration and kai. It really is amazing to have such special connections with people/tangata whenua and place/whenua.

A couple of years ago a group of enthusiastic students supported writing lyrics and singing a favourite song "Southern Dream". At that time we reworked it to focus on Blair Vining and his legacy which Missy, Della and Lilly have continued to pursue. The lyrics incorporated red, black, white, Southern Charity Hospital and I know Missy and the girls loved the words. Recently I received a call from Missy to invite Hauroko Valley Primary students to join a collaboration with the original musician from "Southern Stags" Jason Kerrison to participate in a music video with our version.

This will involve approximately 20 students heading to Invercargill on Thursday 30th June including the originals - Addi, Sophie G, Lily E and Maddi. Today we held 'auditions' where students in each class sang the original song. Selections were made with the original student leaders, classroom teachers and myself and based on knowledge of the song and enthusiasm for singing. If your child has been selected to represent HVP they will receive a notice today along with the lyrics and reworked backing track to learn. They will also require red, black and white clothes/accessories to wear for filming. As you know we are proud of who we are and where we come from and we aim to be "Always Our Best/tonu to tatou pai", so let's bring the noise in colour and effervescence!

Nga mihi,
Julia

How To Find Matariki In The Night Sky

Matariki is found low on the horizon in the north east of the sky.

Try looking here between 5.30 a.m. and 6.30 a.m.

1. First find **Tautoru** (well known as the bottom three stars of 'the pot', or Orion's Belt).
2. To find **Puanga** (Rigel) look above the pot until you see the bright star - that is **Puanga**.
3. To find **Matariki**, look to the left of Tautoru (the pot), find the bright orange star, Taumata-kuku (Alderbaran). Follow an imaginary line from Tautoru, across to Taumata-kuku and keep going until you hit a cluster of stars. That cluster is **Matariki**.

Reading Feature

Branching Out

If you enjoy reading David Walliams, then check out this poster for a variety of authors and texts to read. Our library has several books written by famous author David Walliams and quite a few of the Storey Treehouse series written by well known duo - Andy Griffiths and Terry Denton.

HVP Arcade Games

This term in The Rata Team, we have been learning about the 'system' to make an arcade game as part of Technology.

We were inspired by a young boy in America who made a whole arcade at his dad's workshop. We set to work and had to plan a game that was suitable for all school ages to play. We made our games and had a wee test afternoon. Our class peers gave us different feedback of what we could do differently to improve our games.

We have invited the rest of HVP school to come and play our arcade games on Thursday. To play our arcade games, we ask that each HVP student brings a nonperishable food item to school to exchange for game tokens. 1 food item = 3 tokens. We will collect the food items up and will donate them to the Tui Community worker to add to her food bank for the local community.
