How many elves can you
find in this weeks
newsletter?
Let Mrs Waikato know!

Week of : 5th - 9th December

WEEKLY UPDATES

Kia ora e te whanau, Ni Hao. 你好。

Congratulations to Carter, who was the first person to find all of the elves in the newsletter. I wonder who will be the first to figure out the total number of elves in this week's newsletter.

Today each student received their End of Year school report. These are in the same format as the Mid Year reports. Opportunities for optional parent-teacher interviews are available through our Skool Loop App. If you are unable to access this, Karen can support securing a time. These are available next week on Tuesday 13th and Wednesday 14th December from 3.10 pm-5.00 pm.

Thank you to the Western Rural Women Ann & Rowena for presenting Edmonds Cookbooks to our Year 6 and Year 8 students. This initiative is a resource to support our tamariki with life skills through the ability to follow instructions to cook a meal for their family or perhaps some baking.

Tonight, Friday 9th December is our 2022 production and prizegiving. We will start promptly at 6.30 pm, followed by a brief change into school uniforms by all students before our prizegiving. The programme is included in the newsletter with photocopies available (one per family) at the hall.

This year we have revamped our end-of-year awards with a few changes to reflect our School Values and the New Zealand Curriculum Key Competencies.

- Merit Awards as previous years. These are to acknowledge students that have shown consistent progress, diligence, or achievement throughout the year.
- We have kept Academic Excellence to acknowledge students that have consistently shown excellence in achievement across our Literacy, Numeracy, and often other areas of the Curriculum. This can be shown through internal and external curriculum opportunities.
- This year we have introduced the B.A.R - "Best All Round" which reflects our school motto of "Always Our Best/Tonu to tatou pai". This award goes to someone that utilizes Hauroko Valley Primary School's Values, and NZC Key Competencies while also being hardworking in their learning.

At the conclusion of our End of Year celebration, we enjoy a cuppa with a shared supper. Please bring a plate (one per family) for this.

Next week we swim daily with Johnston Waters. Our focus is skill development of swimming with the final day concluding with our school swimming sports. Please remember to bring - togs, towel, goggles and swim caps (optional). These all need to be named and in a separate named swimming bag. Students will be transported to the Tuatapere Community Pool for lessons. After Monday we will have students in groups with times, generally Rata, Totara, Matai, and Kowhai between 9.00 am-12.00 pm.

Please find the programme included in the newsletter as we reduce photocopies for tonight. There will be one for each family. Thanks. Nga mihi, Julia on behalf of the HVP Team

END OF YEAR PRODUCTION · DECEMBER 9TH, 2022
RSA HALL · TUATAPERE
6.30PM

NARRATIVE

Welcome to Hauroko Valley Primary School's End of 2022 Production - The Windyflaxes & The Pungapeople. Our version is based on a New Zealand children's classic book called Mrs Windyflax and the Pungapeople. Mrs Windyflax seeks the help of a local Policeman when she notices her letterbox has been the target of mischievousness. The policemen finds himself outwitted by the wily Pungapeople. Written by Barry Crump with Illustrations by Murray Ball
