VALLEY PRIMARY SCHOOL

ALWAYS OUR BEST

**Term 1, Week 8, 2022****Kia ora whanau****HVP Water**

Currently our water levels are low and I believe our school water draws from the Wairaki Scheme. This does cause our tap water to leave a dirt taste. Please send your child/ren along with bottled water until further notice.

**COVID-19 Update**

We do have a few families in isolation. However, all have been isolating before COVID-19 symptoms. Please advise us straight away if your child/ren test positive so we are able to take the required actions. This supports us to keep everyone safe as we continue our journey through the pandemic.

Take home learning packs are for this time, particularly as we continue to have most students in class. If you have had any child/ren in isolation, and packs need replenished please send them back to school once you return.

**Technology**

Our Year 7&8 students have completed their final hard materials woodwork focus for Term 1. They have made amazing folded stools and hanging fruit storage.

Thanks to Waiau Area School for providing excellent facilities and expertise guidance for these sessions. We appreciate having either Miss Anderson or Mr PB in as support along with HVP Rata teacher either Keri or Alice. The Year 7&8 students would like to make a special mention of thanks to Mr McNab. They have appreciated Mr McNab's support in developing Woodwork skills, his kindness and also patience. We wish you the best.

**HVP School Leaders**

At Hauroko Valley Primary School we value the importance of providing students with leadership opportunities that will foster a variety of leadership skills and attributes, while promoting a sense of belonging and connectedness. Our school values of Hauora, Village, Perseverance and Success are also an integral part of our student leadership programme.

Our Year 7&8 students have written letters of application for positions. We have positions available for school leaders, house leaders, PALS (Physical Activity Leaders) and more! Each year we provide opportunities for our current Year 7&8 students to drive leadership roles and responsibilities. We look forward to sharing these with you in the next newsletter.

**Home and School Fundraising****Lamb Drive**

**This weekend - our school's next fundraising opportunity = lamb drive. If you would like to donate a lamb to support Hauroko Valley Primary School, please get in touch with the following Home and School Committee.**

If you would like to know more about the role of HVP's Home and School Team, please make contact with any of the above people.

If you would like to join this team please make yourself known to any of the members of the committee as mentioned above or pop along to the AGM.

### Ngā mihi nui

Julia Waikato,  
Principal/Tumuaki

### Reading Feature

This week the feature books are by Victoria Cleal. She works as a writer and editor at Te Papa. Her first book was about Whiti Colossal Squid of the Deep, winner of the Best Children's Book at 2021 for the zoological content. Lost in the Museum is her most recent work with illustrations beautifully showcasing the artist talents. This story is a magical adventure of a young boys search for treasure/taonga.

### Te Reo Feature

Good Morning and Good Afternoon Greetings.

We really want to say a big THANK YOU to our sponsors that stuck with us even though our major fundraising event couldn't go ahead this year.

Your support is hugely appreciated!
