WEEKLY UPDATES

Week: 12th-16th June 2023

Nau mai hoki mai e te whānau, kamusta, ni hao. 你好。

Welcome to Liam, Ava, and Corbin. We also welcomed Danica, Dan Rae, Andi, and Xidhrie to Hauroko Valley. We look forward to getting to know each of you and your families.

Apologies for the late return of students from Sing Thing. Unfortunately, the departure from Invercargill was later than expected and consequently, buses were delayed longer than anticipated.

This week a **property project** we have been waiting to start has finally begun. It has been a long time coming, as I remember eagerly emptying the pool in preparation, and that was several years ago. The project will (once completed) provide us with a multi-purpose building. A space that we can utilise for groups of students and different curriculum activities. I can see us setting up our Perceptual Motor Programme equipment for our learners to use regularly, perhaps even a space for our drum kits and piano, an indoor space for Discovery, or a space for practices of small or larger groups - sport, singing, and even house day activities. During this construction time of at least 3 months, this area and the space closest to the pool is not available for parking.

The **Young Einsteins**/Current Events challenge involved the following learners. Well done to our teams for their impressive knowledge sharing.

Hauroko Hulks = 4th - Lola, Mason, Maddi and Boe

Hauroko Heroes = 5th - Caitlin, Flynn, Jack and Louie

HVP Einsteins = 2nd = Briar, Oliver, Elly and Cormac

HVP Prodigies = 16th = Sam, Axel, Lily and George

We also thank the following parent helpers for providing transport to/from Winton - Marilyn, Cheryl and Nikki.

Several eager singers have been rehearsing each week for **The Sing Thing**. This initiative is exciting as we have joined Zoom sessions with other schools and our conductors. before all meetings to sing together! Thanks to Miss Ross for leading our learners in singing a variety of songs. Thank you to these parents able to support our children with transport - Jayne, Jenna, Kate P, Marilyn, and Dale.

Good Luck to our 15 students ages 10, 11, 12, and 13-year-old in bold below, who have qualified to represent Western Southland at **Southland Cross Country** today. This is the final event for our long-distance runners.

Congratulations to the following students that qualified at Western Cross Country for Southland Cross Country. This event is being held at Waimumu, Gore today. GOOD LUCK to our HVP Reps!
