## VALLEY PRIMARY SCHOOL

## **Term 2, Week 8, 2021**

### **Kia ora e te whanau**

#### **Support Staff**

This week we celebrated our Support Staff acknowledging the valuable contributions they make to our HVP Team. Support Staff have a range of roles and responsibilities including - working with students and teachers to assist our classroom programmes, administration, caretaker, groundskeeper, librarian, first aid and cleaning (to name a few). Thanks to Lorin Borthwick, Dale Egerton, Ray Laurie and Karen Reid for everything you do to help us, every little thing makes a BIG difference.

#### **Week 7**

##### **Southland Cross Country**

Congratulations to our Western representatives competing at the Southland Primary School Cross Country Championships. There were amazing running achievements with several runners in each age group event, some even having 75 students from throughout Southland.

The following finished in the Top 10 runners in Southland for their respective age groups, with a podium finish for one! Wow!

- Lily C 3rd for 10 year girls.
- Erin 10th 11 year old girls.
- Lily E 9th in 12 year old girls.

#### **Week 8**

##### **Eastern Bush Playgroup**

This week Addi, Jack, Maddi and Hunter ventured up to Eastern Bush for a session at play-group. The conversation in the car on the way included reminiscing of their own time at play-group. Addi, Jack and Hunter managed to find photos and also their handprints in concrete tiles. We really enjoyed our time going on a bear hunt and engaging learners in drama, visual arts and literacy. We can't wait to visit again on Wednesday 7th July.

#### **Young Einsteins**

Congratulations to our Current Event geniuses who competed in the Young Einsteins Challenge at Winton School. Thanks to Steve and the team from Winton Primary School for hosting this event. We also appreciate the support and organisation by Shirley Pratt and her team from REAP.

This year two teams represented HVP in the Year 5&6 division with one team in the Year 7&8 category. The challenge categories had the latest from the news which is a great way to keep up with places, famous faces, music and sporting events both nationally and internationally. Well done to all teams! Lots of fun and learning by Oliver, Cormac, Sienna and Katie who were 18th overall out of 24 teams. Meanwhile our Year 7&8's Nick, Oliver, Baxter and Lily were placed 6th out of 19 teams.

Sam, Elly, Hugo and Briar won the Year 5&6 Young Einsteins bringing home the trophy! Brilliant team work was part of their win with a combination of knowledge and the skills needed to effectively work together. Thanks to our supporters and transport providers - Jaimee Chamberlain, Kate Gray and Dale Egerton.

#### **Week 9**

##### **Matariki**

Next week our classes are engaging in a range of Matariki activities. We are delighted to welcome Des Cooper to HVP. He comes to us from Fiordland bringing a wealth of knowledge to support our learning of Te Ao Maori during Matariki Week. Des has kindly offered to support us

with weaving flax and learning more about the pleiades. If you are keen to be involved, you are more than welcome to join us on Wednesday 30th June - 9.00am-10.00am Rata, 10.30-11.30am Totara, 11.40am-12.40pm Matai and from 1.30pm-2.30pm Kowhai. Many hands are welcome to support the weaving of flax!

### **Hangi**

As part of Matariki we are celebrating the Maori New Year with a Hangi where we will meet, greet, share and eat from 5.00pm on Friday 2nd July. Please check the notice that has been shared in regard to support of vegetables or meat for cooking for our dinner.

We also require support on Thursday 1st July from 12.00pm with peeling and cutting vegetables and making stuffing. If you are able to pop down during this time or the afternoon on Thursday, please do!

On Friday 2nd July we also require assistance with serving of the kai from 5.00pm and lifting of the Hangi from our pit in the back paddock. If you can support us in any way, please get in touch with Alice Harris or Julia Waikato.

If anyone has any old Totara posts that are available for our hangi, please let us know. Thanks whanau!

### **General**

#### **Home & School Committee**

Thanks to those that attended our recent Home and School Annual General Meeting. The following parents are continuing in their roles along with a supportive team. If you are interested in joining to support HVP, please pop along to our next meeting - date to be advised.

#### **Officer Bearers**

**Chairperson** - Lindsay Clarke

**Deputy** - Kate Gray

**Treasurer** - Jaimee Chamberlain

**Secretary** - Suzanne Norman

#### **H E L P - School Books**

As we near the end of Term, please send back any school library books or home readers. At the moment we are struggling to provide guided reading for some, as there are several readers missing. Ideally if your child receives a book for reading as part of classroom guided reading programmes, this needs to be returned the following day. Thanks for your support with our amnesty - just send returns to the office!

#### **Heat Ups**

To support us with heat ups, please ensure items are wrapped well in tin foil so they remain intact. Names do need to be written on with permanent markers. As part of Health and Safety requirements it is important food items are defrosted rather than frozen.

#### **HVP Ski Trip**

Make sure notices are returned by Friday 2nd July to secure your place on our Ski Trip to Coronet Peak, Queenstown.

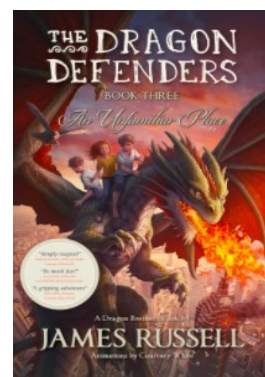

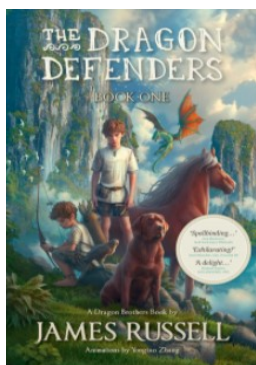

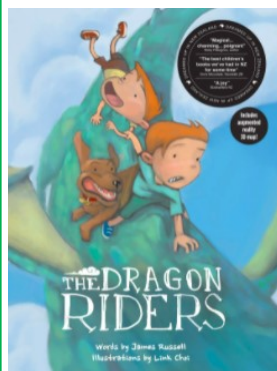

Have a great weekend and we look forward to seeing you next week for our school community hangi.

**Nga mihi nui,**  
Julia Waikato,  
Principal/Tumuaki

## Reading Feature

The Dragon Brothers series includes three picture books and five junior novels. These have been written by New Zealand author James Russell who has created a wonderful world of adventures for all. There are some hidden features in the books that open a world through the clever use of Augmented Reality where maps pop open to engage readers on their journey.
