VALLEY PRIMARY SCHOOL

7th May 2021

Website: www.haurokovalley.school.nz**Term 2, Week 1, 2021****Kia ora e te whanau,**

Welcome back, we've enjoyed reconnecting with our students and whanau, after the April holidays. Show and tell or current events has included several duck hunting stories with possibly fewer ducks than usual. The cooler weather indicative that Autumn has hit, although we've thoroughly enjoyed the clear warmer days this week.

Hauroko Valley Primary School extends a warm welcome to Angela and Daniel. Angela has joined Matai Class and Daniel is in Rata. We look forward to getting to know you and your family as you settle into Western Southland.

We also welcome Mrs Keri Mathieson who joins Hauroko Valley's teaching team working in Kowhai class one day a week. Keri has come to us from Thornbury Primary School and prior to that worked at Myross Bush School. She has a wealth of experience as a classroom practitioner to bring to our place!

Please check out the events on our Calendar for Term 2, 2021 as there are several learning experiences planned for our tamariki. I've included a WHO section to indicate who is involved - hopefully this is helpful.

Anzac Dawn Service

Thank you for your support for the Orawia Community Memorial Service and Tuatapere Returned Services Anzac Day Services. It was my first time attending both and I can't wait until next year.

Our students represented Hauroko Valley Primary with pride in school uniforms while contributing to our community services. Our school leaders demonstrated leadership while playing the drums for the Waimatuku Pipe Band or laying wreaths. They also supported our younger students as they carried crosses and laid poppies. A special thanks to Mrs Fiona Gray for her beautiful floral arrangements for H.V.P's wreaths - these were stunning tributes to the fallen.

Inter School Hockey

We have 3 teams involved in the Invercargill Hockey Association inter-school tournaments. Our Year 3&4 and Year 5&6 team take part in the Primary Competition on Wednesday afternoons while the Year 7&8 team compete on Thursday early evenings. Working with Otautau Primary School and Waiau Area School to field a few of our teams is always a pleasure, so thanks for joining us for hockey. We also want to acknowledge our parent helpers supporting teams in the role of either Coach, Manager and also with transportation to and from Invercargill. Good Luck for the first games next week.

AgriKids

We have several students in Years 4-8 registered for the AgriKids challenge for Otago/Southland. Unfortunately the format of this challenge has moved to online due to restrictions in Term 1, 2021. Our teams are competing in the online challenge on Friday 14th May. We are waiting for further information about the format and will let you know as soon as it comes through.

At this stage, it is a wait and see for those students involved in Rippa Rugby on the same day. Should the rippa tournament be postponed again all students registered for AgriKids will take part in the online challenge.

Rippa Rugby

All the best to the following students representing Hauroko Valley Primary School at the Central/Western Rippa Rugby Carnival on Friday 14th May. Thanks to Rob Legg for supporting the team with Coaching and Nikki Willis in support as Manager.

Boys	Girls
Oliver Chamberlain Cooper Gow Hugo Gray George Greer Cormac Legg	Lily Cade Elly Hurley Erin King Sienna McGregor Katie Norman

Harry Blair-Edie, Baxter Erskine, Jack Horrell and Hunter Norman are supporting the Rippa Rugby teams by referring games. They will be provided with opportunities to learn alongside Rugby Southland under the guidance of Liam Howley. Thanks also to Terrence Waikato for organising our rippa players and refs.

Fence Panels

Our recently completed fence panels look fabulous as they are individualised to represent each of our families. We are looking at creating a narrative to share the meaning behind colour or symbol choices on panels as there are so many special stories to share. These background stories share our histories and through oral literacy need to be recorded as part of our Hauroko Valley Primary School histories. Amazing taonga/treasure to be collected so watch this space!

Guitar Years 4-8

Kate Gray is continuing lessons for guitar for students in Years 4-8. This takes place at Hauroko Valley Primary School in our library on Monday afternoons starting Monday 10th May. Ideally all students from Term 1 groups will continue with lessons throughout 2021. This will provide multiple opportunities for students to learn fundamental guitar skills including chords and strumming patterns.

Please contact Kate Gray directly to confirm guitar lessons and for payment via 0274139124. We can't wait to see these guitarists perform for us at assembly later on in the Term.

Cross Country Training Opportunity

Nessa is keen to do a weekly training session for any kids (Year 4 and upwards) interested in doing some extra training during May. Each Tuesday after school starting from next week on 11th May from 3.15pm to 4.00pm or so. We would use the school grounds to do some general fitness drills and some interval running.

Ngā mihi nui

Julia Waikato,
Principal/Tumuaki
