VALLEY PRIMARY SCHOOL

Term 3, Week 1, 2021

Kia ora, namaste, bula

Welcome back whanau! We hope you've had an enjoyable holiday break. This Term sees us focus on The Arts/Te Ao Maori as we prepare for our performance at the 2021 Miharo Polyfest in a month. Along with this we have our Poetry and Speech presentations and Winter Sport.

We extend a warm welcome to Alex who joins his siblings Connor and Cassie at HVP. We also warmly welcome Fletcher who joins Kowhai class.

I'm trialing our school newsletter being published on Monday's rather than Friday's. This way it will support communication of events for the week ahead; as well as freeing up Friday's in the office when it is often a busy time.

Week 1

Write That Essay

This week we're hosting Write That Essay facilitator Jess as we continue our Literacy journey. She is spending Wednesday and Thursday in each class working alongside teachers supporting our Professional Development through classroom coaching sessions. This benefits our students as they gain expert support to further extend their writing skills and knowledge.

Netball Year 5-8

Netball trials are going to be held this week for any interested Year 5-8 students. Please remind students to bring a change of clothing and suitable footwear for this daily (weather dependent). We are looking for a Year 5&6 team and also a Year 7&8 team for either the Western Southland or Southland Netball Competitions.

Health Education Curriculum

Each family has been invited to contribute to a review of our Health Education Curriculum. Please support us to evaluate and further develop programmes throughout our school. If you haven't received one and would like to make a contribution, please collect a survey from the office. N.B: Kotahitanga refers to unity similar to Everybody Belongs.

Miharo Polyfest

A collaborative project between Totara students at HVP and students from Waiau Area School has been selected as a finalist in the Miharo Polyfest Art. Congratulations to our Year 4&5 students and Jen Templeton for leading this inquiry learning into the Waiau River. We are extremely grateful to Christina Vaughan and the wider Waiau Rivercare Group for providing support and guidance throughout this localised learning journey.

HVP Ski Trip

On Friday 30th July several HVP ski enthusiasts head to Coronet Peak to ski and/or snowboard in Queenstown. **For those students remaining at school - buses and class programmes will continue as per usual.** We look forward to hearing all about the snow adventures next week. A final notice has been provided today for all families involved. Thanks heaps to Sheryl Horrell for supporting the leadership of this event.

Week 2

Parent-Teacher Interviews

To follow up on reports parent teacher interviews have been scheduled for Term 3, Week 2 on Tuesday 3rd August and Wednesday 4th August from 3.20pm. These meetings help everyone to understand and support each learner. Although these interviews are a formal time, please remember that our doors are always open and we are here to help. If you would like to meet with classroom teachers, please make a booking via our Skool Loop App.

Red, Black, White Day

We are passionate supporters of red, black and white day particularly as the Vining family have been part of our school community. On Friday 6th August as part of Blair Vinings legacy - the Southland Charity Hospital, we are providing an opportunity for fundraising by HVP students. If you would like to add some red, black and/or white colours to our school uniform (e.g: ribbon/s in the hair/red shoes/white shoes/coloured hair/white bow tie/tie) and send along some \$ for us to continue to support our people and our place.

General

Please check out the events on our Calendar, both here and on Skool Loop, for Term 3, 2021 as there are several learning experiences planned for our tamariki. Assemblies this Term will be every 2 weeks where we share and celebrate learning progress and achievements.

Along with the Ministry of Health and Ministry of Education we appreciate your support at keeping your child/children at home if they present with any of the following symptoms - sneezing and/or runny nose, sore throat, a new or worsening cough, shortness of breath, headache, muscle pain or body aches, diarrhoea, nausea and/or vomiting.

Nga mihi nui,
Julia Waikato
Principal/Tumuaki

Te Reo Feature

The theme for the 2021 Maori Language Week is "Kia Kaha te Reo Māori - Let's make the Māori language strong". This is an opportunity to acknowledge and learn Māori language and culture by using and speaking the language. Join us on our journey!
