## VALLEY PRIMARY SCHOOL

ALWAYS OUR BEST

28th May 2021

Website: [www.haurokovalley.school.nz](http://www.haurokovalley.school.nz)

## **Term 2, Week 4, 2021**

### **Kia ora e te whanau,**

Welcome to Bethany who joins Rata, she is joined by her siblings Sophie in Matai and Phoenix who is in Kowhai. We look forward to reconnecting with your family and getting to know you all more.

Thanks to Hauroko Valley Primary School's Home and School team for organising support for a few families. We are lucky to live in a community that rallies in manaakitanga (kindness, support, generosity). To our school family's, your contributions towards this collection was greatly appreciated - thank you.

Gypsy Day is just around the corner and we have a few families joining the Hauroko Valley Primary School whanau. If your family's circumstances have changed and you are relocating, please let us know as this assists us with classroom numbers and placement.

### **Week 4**

#### **Dangerous Decibels Programme**

Bev from Hearing Southland supported classes as they discovered how important it is to keep your ears safe and therefore protect your hearing by the following phrases. "Turn it Down!" "Walk Away" "Protect Ears". As Bev mentioned this will help to reduce noise-induced hearing loss and tinnitus (ringing in the ear).

#### **Deep Cove Camp Year 7&8**

Students have been engaging in building knowledge as they learn about Doubtful Sound with a session with Lloyd Esler. Lloyd is a well known Southland personality in terms of his knowledge about all things "Science/Social Sciences" and enthusiasm for sharing his knowledge with others. He is particularly interested in finding out more about the drawings in the Clifden Caves. If you are able to support Lloyd, please get in touch with us.

Malcolm Walker also popped in to visit, he is a Deep Cove Trustee so works to keep the Lodge up and running. In this role he supports programmes and opportunities in several schools for Deep Cove. Malcolm also imparted some Cross Country running strategies to use during training. Thanks to both Lloyd Esler and Malcolm Walker for supporting us.

#### **St Johns First Aid Workshops**

On Friday 28th May all HVP students trained in basic first aid thanks to Felicia from St John's. We know how valuable these refresher courses are for our staff and also our students. Having knowledge of basics can make a difference and potentially could save a life! Thanks for supporting your tamariki to learn their addresses and phone numbers as this vital information assists emergency services. Today we covered safety in the context of our school and ways we can keep safe and help others to stay safe.

### **Week 5**

#### **NYLD - National Young Leaders Day**

Our Year 8 boys are heading to Dunedin on Monday 31st May to attend NZ's National Young Leaders Day. This opportunity is inspirational as our students will experience top notch kiwis sharing their life stories. For 2021 the speakers include Cam Calken (inspirational leader), Brooke Neill (Olympian), Shay Wright (entrepreneur) and Benny Tipene (musician).

Thanks to Suz Norman and Sheryl Horrell for supporting transport, accommodation and accompanying the group to the presentation.

## Waste Free Wanda

Next week we are lucky to have secured a free show thanks to the Southland District Council. "Waste Free Wanda", presented by award-winning singer/songwriter Anna van Riel; this one-woman musical gives young audiences empowering solutions on how to combat single-use plastics and protect our environment, and the confidence to implement them.

## Interschool Cross Country

We are on the countdown to our interschool cross country meet with Thornbury Primary School and Waiau Area School. Please check the notice shared today in hard copy with students and via Skool Loop. If you are able to support us with marshalling, please let Julia know.

## General

A reminder to get your ski notices in before Monday 31st May as we gauge interest and set a month for our annual Ski Trip to Queenstown.

Technology for our Year 7&8 students will kick off on Tuesday 8th June rather than the 1st as originally published. Thanks for providing the \$30 as part of the Tech programme take home component. This time we are purchasing sewing materials for our students to complete projects. Thanks to Dale Egerton and Nicole Wallace for leading Soft Material learning.

Please note today will be our final whole school assembly for a few weeks. Next week we are hosting the interschool cross country and the following week we will have several students at Western Cross Country. We love our whole school assemblies where we join in unity to provide opportunities for our students to present and celebrate progress and achievements. However, the weekly whole school assemblies are challenging when we have to move two classroom set ups to enable us to provide space to cater for 100 people. As a staff we have considered alternative options, unfortunately there are few at the present time. Our Board of Trustees are actively seeking ways to provide this space for our school. In the meantime we will keep you posted with updates in regards to Assemblies.

Have a great weekend, all the best for games tomorrow as part of weekend sport. I look forward to seeing the action on the rugby field!

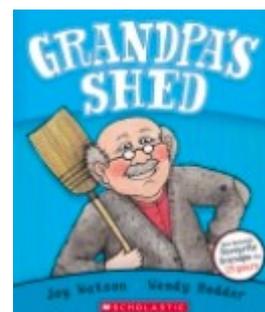

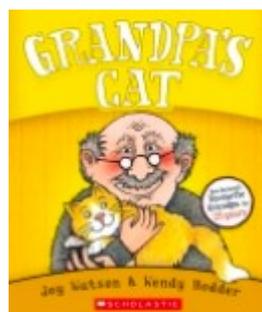

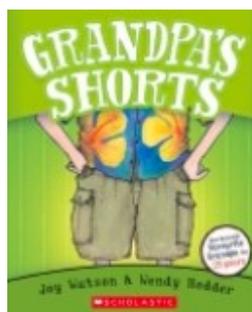

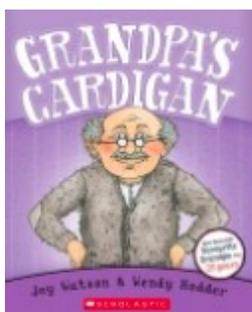

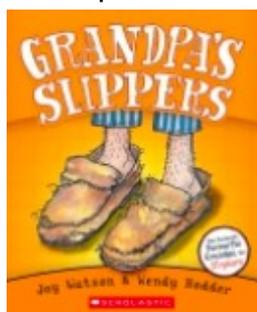

## Ngā mihi nui

Julia Waikato,  
Principal/Tumuaki

## Reading Challenge

Check out these books written by Joy Watson and Wendy Hodder. These kiwi classes would be a super read for the Grandies!
