Kia ora koutou e te whanau

Term 3, Week 9

Te wiki o Te Reo Maori

This week has been te reo maori language week and our classes have been engaging in some additional activities. As part of our school culture at Hauroko Valley Primary School our deepened our knowledge and understanding of te reo by using words and phrases throughout the day. Our tamariki know two karakia/prayer. The karakia timatanga is for the start of the day and we have a karakia mō te kai to bless food before lunch. We have several students that know their mihi which acknowledges the mountain and river we identify most with, where we come from and where we live now, who our whānau are, and finally our name. Our journey continues as we provide opportunities for our tamariki to further deepen their knowledge and understanding of tikanga Māori which is cultural practices and behaviour.

Southland Speech Grand Final 2020

“Why I Hate Mondays?” The topic of Summer’s speech resonated with adults and children alike as they considered Monday’s as the worst day of the week. Summer presented with confidence and was polished in her presentation! There was a high calibre of students' speech topics and presentations in both the Grand Finals for Year 5&6 and Year 7&8. This year the judges were looking for personality coming through speeches and there were certainly students demonstrating a passion or charismatic personality about their chosen topic. Tumeke mahi Summer!

Teachers Only Day

Our staff as part of our Teachers Only Day attended a session with Kathryn Berkett, a New Zealand specialist in the field of Education and Neurological Therapies. She was engaging in her delivery while sharing highly complex information in an easy to understand way. The presentation enabled us to consider our varied roles as teachers, parents, support staff and the impact we can have in our interactions and relationships with our tamariki.

If you are interested in learning more check out her website <http://www.engagetraining.co.nz> and then head to the tab online resources and choose from the drop down written articles. There is always more to learn about the development of the brain and unpacking to understand why we do the things we do; as well as how to support others.

Term 3, Week 10

Rippa Rugby

The Southland Rippa Rugby Championships has taken a different format this year with 3 different tournaments across Southland. Our Hauroko Valley Primary School team play Lochiel School, and Woodlands School on Monday 21st September at Midlands Club, Winton. This pool then versus the other pool of Limehills School, Dipton School and Thornbury School.

Unfortunately due to Alert Level 2 Covid restrictions we have been asked to inform parents and other supporters they are unable to attend. Reasons are clear in regard to maximum numbers at events.

Here is our team - good luck to our players! We are impressed and proud with your commitment to training, further developing rippa skills and working together as a team. Shout out to Damon Templeton for his expertise on the field, for fitness development as Coach and to Terrence Wai-kato in support.

Southland Festival of Netball

Here are our 3 netball teams competing in the Southland Festival of Netball tournaments next week in Invercargill.
